Education

Vellore Institute of Technology   Amaravati, Andhra Pradesh
B.tech CSE Core   2020-2024
CGPA: **8.06**

Sri Chaitanya College   Hyderabad, Telangana
XI-XII   2020
12th Percentage: **88.7%**

Sri Chaitanya School   Hyderabad, Telangana
X   2018
10th CGPA: **9.2**

Projects

Online Food Ordering Website | *MongoDB, Express JS, React JS, Node JS, Bootstrap CDN*
- Developed a responsive e-food delivery website using MongoDB, Express JS, React JS, and Node JS.
- Implemented user authentication with bcrypt.js for password hashing and utilized JSON Web Tokens (JWT) for secure user sessions.
- Integrated a fully functional shopping cart system, allowing users to add, delete, and manage items with a secure checkout process.
- Utilized MongoDB Atlas as the database, designing robust schemas to store user information, order details, and order history. GitHub Link

API based News Website | *HTML, CSS, Java Script*
- Developed a modern news website using API integration from newsapi.org, providing access to a array of news sources.
- Implemented user-friendly interface to allow seamless navigation and personalized preferences, enhancing user engagement.
- Utilized RESTful API principles to optimize data retrieval, enabling the website to load articles 30% faster than competitors, thereby enhancing the overall user experience. GitHub Link

Amazon Clone | *HTML, CSS*
- Utilized HTML and CSS to create a user-friendly and visually appealing website, following the latest web development best practices
- Implemented UI enhancements to improve the overall user experience of the Amazon clone.
- Optimized the website for speed and performance, ensuring a positive user experience for all visitors. GitHub link

Experience

Web Development Intern   August 2023 – September 2023
Bharath Intern
- Developed an interactive web application with smooth animations and responsive design.
- Contributed to an interactive web app with HTML, CSS, and JavaScript for better user experience.
